

TOWARD NEARLY ZERO ENERGY UNIVERSITY CAMPUSES

politoward seminar

on energy efficiency issues
in university campus
buildings

10th April, 2015

9:30 - 17:30

Castello del Valentino,
sala Zodiaco

[http://www.politoward.org/new-
events/](http://www.politoward.org/new-events/)

9:00 - 9:10 **Patrizia Lombardi**,
politoward scientific coordinator - *The
politoward project*

9:10 - 10:10 Keynote speaker: **Minna
Sunikka-Blank**, senior lecturer,
University of Cambridge, *politoward*
partner - *The Performance Gap:
Cambridge case studies on comfort and
energy use*

10:10 - 10:30 **Giovanni Fracastoro**,
POLITO energy manager - *The Italian
energy standards at POLITO*

10:30 - 10:50 **Gianni Carioni**, POLITO
Living Lab Manager - *The energy data
and their use*

10:50 - 11:15 Coffe break

11:15 - 11:45 **Stefano Corgnati**,
politoward scientific board - *The new
Energy Centre*

11:45 - 12:45 **Fanny Carlet** -
*Sustainable campuses: energy-saving
strategies for Colleges and Universities
- cases from the Virginia Tech, USA*

12:45 - 13:00 **Romano Borchiellini**,
vice rector for organisation -
*Conclusions and presentation of the
"sustainable path" project @siti-polito*

13:00 - 14:30 Lunch break

14:30 - 17:30 Workshop session
on thesis, project and case studies
about energy performance gaps,
building simulations, retrofit
examples and eco-designs referees in
the field of energy and buildings

For more information on the whole project,
the summer school and the paper and
photo competition, please visit
www.politoward.org or drop a line to
politoward@polito.it (or find us on LinkedIn,
Instagram, Facebook and Twitter tagging
us as #politoward).
